

Distributor Registration on HySecurity website

www.hysecurity.com

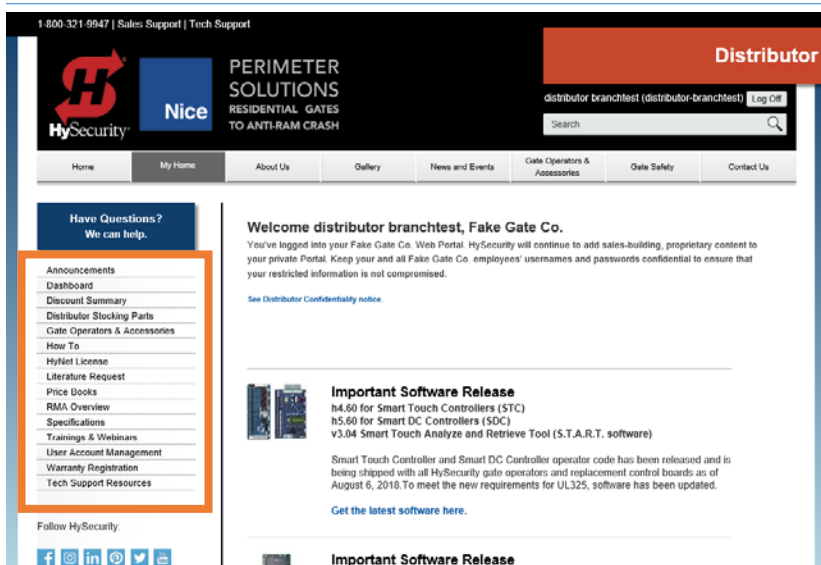

Click on DISTRIBUTOR red box

Click on [Register Now](#) button.

Complete registration and be sure you enter an email you can open right away. Click on the validation in email and it will return you to this page. Enter your email and password and logon.

Note: check spam folder if you do not see email right away.

View the [Left column Navigation](#) for pages specific to your portal. Click on **Tech Support** to open list of support documents including Installation manuals.

Check your home page frequently for the latest messages from HySecurity

Note: Dashboard views are assigned by Branch Managers. Branch Managers will use form under User Account Management to assign roles to distributor employees
